## A WORD FROM THE PASTOR . . .

Recently the news has reported on some robberies that have taken place in our own neighborhoods in Wichita. These robberies all have one factor in common, and if everyone would just comply with that one factor these robberies would all but stop. So what are we doing wrong? How can we stop this from happening? I was looking for a profound answer that would require a great deal of effort to prevent this from happening, but I didn't find one. The problem is: "We are leaving the door open." Well Duh!! What a surprise! It seems that these 100 degree days are heating up the garages of people and they are opening the garage doors to cool it down, and our crafty thieves are walking right in and stealing everything that's not tied down. So beware, and don't leave your door wide open for the thieves to come in. We are also told by Jesus Himself to stay alert and be on guard.

***So be prepared, because you don't know what day your Lord is coming. "Know this: A homeowner who knew exactly when a burglar was coming would stay alert and not permit the house to be broken into. You also must be ready all the time. For the Son of Man will come when least expected.*** —Matthew 24:42-43

Is your door wide open? Are you ready?

I also read in the newspaper of an accidental drowning, of accidental deaths in a house fire or a car accident. We have even experienced this with one very close to us here at Faith Christian Church. It causes us to ask of ourselves, are we ready?

***Be careful! Watch out for attacks from the Devil, your great enemy. He prowls around like a roaring lion, looking for some victim to devour.*** —1 Peter 5:8

If you have waited to begin reading Scripture and a daily devotion, you are leaving the door open. If you have waited to attend a Sunday school class, your door might be wide open. If you think you have time to wait to make Jesus number one in your life, your door is wide open. If church attendance is bottom on your list, your door is wide open. Ask yourself, "Do I really know the Lord?" If you know of Him but don't really know Him, your door is wide open. His Word and His church are with us to help us all be alert and ready and slam the door closed on Satan, the thief of our souls.

So close tight your garage door and stay alert by making Jesus and His church number one.
